DETAILED ACTION

Claims 1, 3, 5-10, 12, 14-18, 31, 33, 35 and 36 are allowed.

Information Disclosure Statement

I. The Information Disclosure Statement (IDS) submitted on 11/10/2006 was filed after the mailing date of the Notice of Allowance on 10/26/2006. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the Information Disclosure Statement is being considered by the Examiner.

Reasons for Allowance

The following is an Examiner's statement of reasons for allowance

II. Upon consideration of the IDS, Examiner finds claims 1, 3, 5-10, 12, 14-18, 31, 33, 35 and 36 to be allowable over the prior art of record. The reference in the IDS fails to teach neither singly nor in combination, the claimed limitations of "a client-server computer system comprising: at least one client application server that utilizes data in a form other than an initial form and generates a manipulation request for manipulation of the data from the initial form wherein the request includes the data to be manipulated in the initial form, and wherein the data to be manipulated comprises long distance ordering information including at least one of valid installation dates, available installation dates, and an allowable number of telephones; a storage mass coupled to said application server for storing a system of dynamically maintainable

manipulation functions for performing said manipulation services, wherein said storage mass comprises a database, wherein said database contains a table-based system of rules organized into at least three hierarchically organized views, and wherein a least amount of data is sorted by a first view and wherein most of the data is handled by a third view, thereby improving efficiency in performing the manipulation functions—as stated in independent Claims 1, 10, 31 and 36 (supported by Applicant's Drawings and Specification: Figure 2 and pages 5-9 paragraphs 0012-0025)." Claims 1, 3, 5-10, 12, 14-18, 31, 33, 35 and 36 are thus allowable over the prior art of record.

III. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
